DEAR G.R.A.C.E.

A NOTE FROM YOUR COMMUNITY LAY DIRECTOR

We are to give our minds, hearts, hands and feet to God so that we will be transformed, not informed. Romans 12: 1-2

The Fall Walks will be here before we know it. Your board is already hard at work preparing for the Fall Walks. The Walks will be held at Camp Gilmont in Gilmer, Texas. The Men’s Walk will be held October 2 – 5 with James Cox leading the Walk. The Women’s Walk will be held the following week October 9 – 12 with Lanett Moser leading this Walk. The Team selection committee has already selected a roster of team members for these walks. If you would be interested in working one of these Walks please fill out a Team application form from our Web site, www.graceemmaus.com as we always have cancellations and other reasons that selected members cannot work. Do you have friends or family that might be ready to experience the Walk? Can you share with them what the experience has meant to you? Prayerfully consider who you could sponsor. Remember that for married couples you should talk with both husband and wife and encourage both to go on a walk. All to often we wait until the last minute to seek others that may interested in attending a Walk. This puts undue stress on the Board of Directors (which ultimately decides if a walk is a go or not), the team, and you the sponsor.

Again, applications to attend, serve, or sponsor can be found on our Web site www.graceemmaus.com. The cost of these Walks will be $155.00. Don’t wait until the last minute…get excited for others to share in this great…experience: GET AT LEAST ONE PILGRIM.

Your words have supported those who stumbled; you have strengthened faltering knees. Job 4: 4.

Decolores,
Mac Young
Community Lay Director

A WIN/WIN CHOICE
By Tommy Ferguson, Walk # 60

Each spring as we humans pause to assess our lives, we realize that we have moved one year closer to the end of our days, as we know it, on this beautiful planet that God provided for us to live, work, and plan on. For some, leaving this planet will be a blessing, and for some, it will be a sorrowful time. Even though life can be difficult here on earth, life can be disagreeable to us, and life can be wonderful if we "stop to smell the roses."

For followers of the Christ, life should be great with the expectation of getting greater in the future. God created a most beautiful, majestic place for his sheep here on earth, particularly in spring. This old earth renews itself each spring, in spite of the damage done by humans in the other seasons. Scientists tell us that if the earth were left alone for one-thousand years after the last human exits, it would completely rejuvenate to almost original shape. Oh, there might be some pieces of granite with inscriptions left for a few hundred more years, no one knows for sure but God. At any rate, there would be little traces that humans ever occupied the planet.

Each spring, as an avid lover of nature, I enjoy spending the quiet of the warm afternoons looking at the tree leaves and other spring plants as they blossom, leave, and grow. The leaves sprout from a bud on the limbs and grow from nickel size to dollar size in a week. The wild flowers that bloom on our highway right-of-ways are a pleasure to watch as the Indian Paint Brush grow and get thicker on the ground and the Crimson Clover heads add a scarlet blanket of color. Later on the Indian Blanket (or Fire Wheel) comes out, and we imagine that God is just "showing off" as he creates these paintings for us to enjoy. The Dogwood with all their symbolism blossom to add a taste of purity (in white) to our world. The warm, southern, breeze in the White Oak (to borrow from Don Williams' song) and our beautiful pines give off a heavenly fragrance and enhance their growth by moving to and fro. Speaking of fragrances, the Wild Hedge, Swamp Myrtle, and Honey Suckle cannot be matched by man.

Like snowflakes (and human beings) God made everything unique; each blossom, each leaf, each plant, (though similar) are completely individual and different in some way. How could anyone be bored in the spring with all of God's creation to behold?

As beautiful, as majestic, and as awe-inspiring as the earth is, God has planned a more wonderful place for those who are "In Christ." That is the secret to a win/win choice. As sad as it is to leave this wonderful planet, we will have a more wonderful place to go when we leave all this pasture. So, how could God's sheep fail to win with the earth to live on and God's house to go to later? We can lose only if we are not "In Christ."

Some years ago, someone wrote and sang a song which talked of "Stopping and smelling the roses"; the depth of that one phrase goes deep into our Christian souls. It tells us that we should appreciate what God does for us in any season, although the spring is more obvious.

Since I have lived most of my life (except college, military, and employment) in this beautiful part of Texas, springs are cherished most by me; the simple things have come to be the most valuable in my life.

These are just a few thoughts and descriptions that bring great pleasure; look for more and you will receive.

Now that Walks 68 & 69 are in the books, as your community treasurer, I would like to encourage the fourth day community to participate in the automatic deposit program (ACH). Currently we have nineteen people that donate between $5 and $100 each month. This is the simplest way to help the GRACE community with a monthly donation. Each month on the 15th I draft your bank account for the donation amount you have specified. The form is attached to this newsletter. Fill it out, attach a VOIDed check and send it to me. I will take that to Southside bank and they will set up the ACH. And you can cancel at any time by emailing me or whoever the treasurer is at the time. Even a $5.00 per month donation will be helpful, especially if we get several people enrolled.

It's never too early to begin to put aside your used Christian books for donation on the Walks! We have had such a great response to offering both new and gently used books. Thanks to each of you who have committed to providing those books you no longer need! If you would like to donate books for the upcoming walks, they can be given to any board member for transport to the walks in October. Thank you so much for continuing to support the pilgrims that God will be sending to us this Fall.

In Christ,
Robin Gillian
